## **News Release June 13, 2014**

### **Marijuana Plants Confiscated / Harvested by HCSD Deputies**

Hillsdale County Sheriff Stan Burchardt advises Hillsdale County Farmers to be on the Look Out for Suspicious Plants in area fields. Sheriff Deputies followed up on a tip of Marijuana Plants growing in a cornfield. The field was located in Jefferson Township. Deputies pulled 19 Marijuana Plants that were dispersed in the cornfield. The plants were planted by unknown persons in the rows of corn.

Sheriff Burchardt states that this is common method to grow marijuana plants in Hillsdale County. Anyone that has information of this type of activity is encouraged to contact the Hillsdale County Sheriff's Department at 517-437-7317. Attached is a photo taken from the corn field.
